

Homeschoolers Earn-A-Patch Book Club

Join JCCL for this exciting new book club!

We'll be reading various genres of books and earning patches. Each "genre-session", the group will read one selected book *and* additional books of their choosing from the same genre. Book discussions will cover the group's book as well as sharing reviews from each person's personal-choice books. One genre-session will run 6 weeks and meet every other week. Additional genre-sessions will offer the opportunity to earn different patches and upon completion a draw-string backpack to put them on.
