

Dear FES Families,

Summer is almost here and 🌻 Summer Reading 🌻 has started! FES is again participating in the Governor's Summer Reading Challenge. All current students (school year 2023-2024), preK-3 through 7th, who participate in Summer Reading will be eligible for a visit to the **PTO-sponsored 🇺🇸 ICE CREAM TRUCK 🇺🇸** in the fall, with a special prize for the top reader in each grade, as well as an 🏆 **AWARD** 🏆 for the number one reader in the school!

Books read over the summer also count toward the 📖 **Janet Carlson Calvert Library** 📖 **Summer Reading Program**, so be sure to submit your list to them as well! All FES students are automatically enrolled in their Summer Reading Program starting June 1st. The theme this year is "Adventure Begins at the Library", so go and enjoy programs given by the CT DEEP, the Dennison Pequotsepos Nature Center, and others featuring live animals, learning about your environment, and much, much more! Remember to check out the monthly program schedules that were sent home or their website at calvertlibrary.org.

Happy reading!

Mrs. Andrew - FES Library
